Offer Description

UNIVERSITY OF EVORA

Notice 679/2026

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of an Assistant Professor, in the disciplinary area of Veterinary Medicine - Clinical Sciences at the School of Sciences and Technology of the University of Évora, to be integrated into the staff map of this University, pursuant to articles 37.º to 51.º, 61.º and 62º-A of the ECDU and further applicable laws and regulations, particularly the Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora, published in the Diário da República by Order No. 9696/2024 (2nd series), August 21, modified by Order No. 2123/2025, published in the Diário da República, 2nd series, February 14, henceforth called Regulamento.

The joint order nº 373/2000, March 31, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and professional progression, scrupulously endeavouring to avoid any form of discrimination”.

Following articles 37º to 51º of the ECDU and other applicable legislation, and with article 8º of the Regulamento, the following provisions will apply:

I - Authorization order — This competition was authorized by an order dated February 04, 2026 of the Management Board of the University of Évora.

II - Place of work: School of Sciences and Technology of the University of Évora and the University of Évora Veterinary Hospital.

III - Admission requirements:

III.1. Chapter IV of the Regulamento is applied regarding verification and compliance with the requirements of admission and exclusion of the candidates.

III.2. Following 41.º-A do ECDU, only those who hold a PhD in Veterinary Sciences or Veterinary Medicine on the application deadline, as well as a proficiency in spoken and written Portuguese, may be admitted to this competition.

III.3. If a foreign higher education institution has awarded the PhD degree, the candidates are admitted, according to paragraph e) of nº 2 of article n.4 of Decreto-Lei nº 60/2018, August 3 and the registration/recognition of the degree in Portugal must be carried out after the end of the competition, under the terms set out in Decreto-Lei nº 66/2018, August 16, being a requirement for the act of signature of the contract.

III.4. Foreign candidates, except those from Portuguese-speaking countries, must submit an officially recognised document proving their proficiency in writing and speaking Portuguese.

IV — Admission requirements in absolute merit:

IV.1. Article 12º of the Regulamento is applied concerning admission on the absolute merit of candidates.

IV.2. The jury will deliberate on the approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed. Approval on absolute merit is defined as receiving a vote of more than half of the jury members.

IV.3. Hold a pre-Bologna degree in Veterinary Medicine or a post-Bologna master's degree in Veterinary Medicine.

IV.4 - Hold a valid professional licence (valid registration with the Veterinary Medical Association) or be in a position to obtain one immediately.

IV.5. The admission in absolute merit depends on the possession of an overall curriculum vitae that the jury considers to have scientific merit, research capacity, and the value of the teaching activity already carried out, compatible with the subject area to which the competition relates and its suitability for the professional category in which the competition is open.

V - Evaluation parameters and ranking in relative merit, weighting and final assessment:

V.1. The method of selection is curricular evaluation. This curricular evaluation takes into account the general functions committed to the professors by article 4 and, according to nº 6 of article 50 of the ECDU, is based on the following items:

- a) Research;
- b) Teaching;
- c) Knowledge transfer;
- d) Academic management;

e) Scientific and pedagogical project.

V.2. In the application of the criteria defined in number V.1., the following parameters and weights will be used:

a) Research, with a weight of 35%, which comprises:

a1) Scientific, cultural, artistic or technological production and its relevance in the subject area for which the competition is open;

a2) Participation and coordination of research projects and their relevance in the subject area for which the competition is open;

a3) Other scientific, cultural, artistic or technological activities;

b) Teaching, with a weight of 30%, which comprises:

b1) Teaching experience (UC taught, teaching hours and student evaluation, if available);

b2) Student supervision;

b3) Publication of textbooks with ISBN and other educational texts;

b4) Pedagogical innovation;

c) Knowledge transfer, with a weighting factor of 10% and comprising the following parameters:

c1) Preparing legislation, patents, standards and technical publications

c2) Specialized services, consultancy and the dissemination of science and technology;

c3) Training actions;

c5) Non-academic experience relevant to the disciplinary area of the competition.

d) Academic management with a weighting factor of 5%.

e) Scientific-pedagogical project, with a weighting factor of 20%, within the strategic objectives of the University of Évora and its Research Units, especially the School of Science and Technology, for a course in the field of Small Animal Medicine, presented in the following terms:

e1) maximum of five thousand (5000) words;

e2) Submit a concise research proposal and a training strategy for the subject area of the competition, focusing on specific topics in the field of Small Animal Medicine, highlighting the innovative nature of the project, teaching methods, and its relationship with the activities at the University of Évora Veterinary Hospital and with the University's strategy. This project must include a contextualisation of the proposed course module, the identification of the competences to be achieved, and a proposal for the pedagogical and assessment approaches deemed necessary for the achievement of the proposed objectives;

e3) As in a scientific work, the document must be framed by the state of the art, materials and methods;

e4) Should refer to the strategy for attracting human and financing resources that support the development and consolidation of the proposed research strategy. The candidate should also add previous results of their investigation that can support the submitted proposal;

e5) Contain a summary of the most recent bibliographic references and a summary of the expected results.

V.3. The jury will evaluate the candidates approved in absolute merit, following the procedure expressed in Article 22º of the Regulamento.

V.4. The ranking of the candidates will be the result of the weighted average of quantitative scores obtained in each of the evaluation parameters, within a range of 0 to 100 points.

VI - Preferential parameters:

VI.1. Teaching experience at a university-level higher education institution, within veterinary medicine degree programmes, in modules whose programme content specifically contributes to students' training in the field of Small Animal Medicine (PA1), constitutes an additional parameter, with a weighting of up to 30% of the total points obtained in the Teaching component.

VI.2 - Scientific output and the coordination or participation in research projects in the field of Small Animal Medicine constitutes an additional parameter (PA2), with a weighting of up to 40% of the total points awarded in the Research component.

VI.3 - Holding a diploma from the European College or American College in the field of Small Animal Medicine/Internal Medicine, or have a minimum of 5 years' proven experience in providing services in the field of Small Animal Medicine represents an additional parameter (PA3) with a weighting of up to 40% of the total points obtained in the Knowledge Transfer component.

VII – Public hearings:

VII.1. The jury will deliberate at the first meeting on the need to hold public hearings of all candidates approved in absolute merit which are intended, exclusively, to clarify what appears in the curriculum vitae submitted by the candidates, under the terms of b), nº 4 of article 50º of ECDU, with all candidates being informed, at least five working days in advance, of the date and place where such hearings will take place.

VII.2. Public hearings in the previous paragraph may be held by videoconference, but the jury must guarantee that these are carried out on equal terms for all candidates.

VII.3. According to paragraph a), nº 4 of article 50º of ECDU, the jury may also request candidates to provide additional documentation related to the submitted curriculum.

VIII - Application form:

VIII.1. Applications must be sent within 30 working days from the day immediately following the publication of this Edital in Diário da República.

VIII.2. The application and the rest of the application documents should preferably be submitted digitally, in PDF format, to the e-mail address drhsc@uevora.pt or presented in person, during office hours (from 9am - 12:30p.m. and 2:00p.m. - 5:30p.m.) at the address below, or sent by registered mail, up to the deadline, to University of Évora, Divisão de Recursos Humanos, Serviços Administrativos, Largo da Srª da Natividade, 7002-554 Évora.

IX - Application form:

IX.1. The application must be completed with the filing of a Requerimento, which is available on the website of the Administrative Services of the University of Évora at:

[https://www.sadm.uevora.pt/documentos/concursos/\(id\)/427/\(base_node\)/419](https://www.sadm.uevora.pt/documentos/concursos/(id)/427/(base_node)/419), which expressly identifies the Edital number. Candidates must expressly state their consent to receive communications and notifications related to the competition, which may be sent by email, and provide their address.

IX.2. The Requerimento shall be complemented by the following documents:

- a) Certificates showing that the candidate holds the conditions set out in the competition notice, namely, a certificate proving the required degrees and/or qualifications and a certificate of length of service (if employed in the civil service);
- b) Curriculum vitae of the candidate, duly signed and dated, with the indication of the articles and other work done and published, as well as identification of those that she/he considers most representative, for which a brief description of her/his contribution is required. The curriculum vitae must also indicate her/his educational activities developed. In the curriculum vitae, the candidate must respect the organisation used in V.2 of this call.
- c) Works that the candidate considers most representative, up to a maximum of five works, and a brief description of their contribution;
- d) A digital copy (PDF) of the scientific-pedagogical project, following subparagraph e) of point V.2 of this Edital;
- e) Other diplomas or certificates of studies referred to in the curriculum vitae, in PDF format.
- f) A statement of honour in which they agree to provide services at the University of Évora Veterinary Hospital.

X - Language:

X.1. - The documents supporting the application must be submitted in Portuguese or English.

XI - Jury:

XI.1. The jury has the following composition:

President: Rector of the University of Évora.
