Offer Description

University of Évora

Edital n.º 1068/2026

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of one Assistant Professor, in the disciplinary area of Psychology, subarea of Clinical Psychology, in the domains of Developmental Disorders and Psychodynamic Psychotherapies, at the School of Social Sciences of the University of Évora, following the rulings of articles 37.º to 51º, 61º and 62º-A of the Estatuto da Carreira Docente Universitária (ECDU), republished as attachment to the Decreto-Lei n.º 205/2009, of August 31, altered by the Lei n.º 8/2010, of May 13, and further applicable laws and regulations, particularly the Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora, henceforth called Regulamento, approved by the Despacho n.º 2433/2019, published in the 2nd Series of Diário da República, of March 11 altered by the Despacho n.º 2123/2025, of February 14.

The joint order n.º 373/2000, of 31th March, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and in professional progression, scrupulously endeavouring to avoid any form of discrimination”.

In accordance with articles 37º to 51º of the ECDU and other applicable legislation and with article 8º of the Regulamento, the following provisions will apply:

I - Authorization order - the present open position was authorized by order of the Management Board of the University of Évora, in July 23 2026.

II - Place of work: School of Social Sciences of the University of Évora.

III - Admission requirements:

III.1. Chapter IV of the Regulamento is applied in regard to verification and compliance of the requirements of admission and exclusion of the candidates.

III.2. Under the terms of article 41º-A of the ECDU, only Psychologists who hold a doctorate in Psychology, on the application deadline, as well as mastery of spoken and written Portuguese language, may be admitted to this competition.

III.3. The holders of a doctoral degree obtained abroad must have equivalence/recognition/registration of that degree to an identical degree granted by a Portuguese University, according to nº 2 e) of the article 4 of Decreto-Lei nº 60/2018, of August 3rd. The equivalence/recognition/registration of that degree in Portugal is effected after the end of the tender under the terms defined in Decreto-Lei nº 66/2018, of August 16th. That equivalence/recognition/registration is a necessary step for contracting.

III.4. Foreign candidates, except those of an official portuguese expression, are required to provide an officially recognized statement, demonstrating that they master Portuguese language, in both written and spoken forms.

IV — Admission requirements in absolute merit:

IV.1. Article 12º of the Regulamento is applied with regard to admission in absolute merit of candidates.

IV.2. The jury will deliberate on their approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed, considering approved in absolute merit the nominee who receives the affirmative vote of more than half of the voting jury members.

IV.3. The approval in absolute merit is considered on the overall curriculum, that the jury considers to have scientific merit, research capacity and pedagogical value, compatible with the disciplinary area of Psychology, subarea of Clinical Psychology, in the domains of Developmental Disorders and Psychodynamic Psychotherapies. A favorable vote for the candidate's approval on absolute merit will also depend on the candidate having at least three publications indexed in Scopus and/or Web of Science, as well as participation in at least one research and/or intervention project in the domains covered by this call.

V - Valuation parameters and ranking in relative merit, respective weighting and final valuation system:

V.1. The method of selection is curricular evaluation. This curricular evaluation, takes into account the general functions committed to the teachers by article 4 and according to nº 6 of article 50 of the ECDU, is based on the following items:

a) Research;

b) Teaching;

- c) Knowledge transfer;
- d) Activities of academic management;
- e) Scientific and pedagogical project.

V.2. In the application of the criteria defined in number V.1., the following parameters and weights will be used:
