Job description:

ANNOUNCEMENT FOR THE OPENING OF AN INTERNATIONAL SELECTION TENDER PROCEDURE FOR INVESTIGATOR HIRING PURSUANT DECREE-LAW NO. 57/2016 OF 29 AUGUST

Aviso nº 7242/2019 (2ª série), de 24 de abril

1. By decision of the Professor Ana Maria Costa Freitas, Rector of the University of Évora, in March 13th 2019, it was deliberated to open, for a period of 30 business days, from the day this notice is published in Diário da República, an international selection tender for one (01) vacancy of Doctoral Researcher, for a fixed-term public service work contract regime with the duration of 36 months, for the exercise of scientific research activities in the scientific area of architecture, at Centre for Art History and Artistic Research (CHAIA – Centro de História da Arte e Investigação Artística) in the research project named “*Malagueira: Património de Todos: Subsídios para a sua classificação*”, reference PTDC 2017 – PTDC/ART-DAQ/32111/2017.

The researcher must carry out research in the scientific area of architecture, including, but not limited to, the following tasks:

- a) To raise, structure, systemize, register, identify and recognize the cultural values present and fundamental for the definition of a theoretical and patrimonial framework of Malagueira;
- b) Collect, systemize, register and archive in databases (written, drawn and photographic) of Malagueira (constructed and not constructed) in conjunction with existing archives (national and foreign);
- c) Consolidate the existing documental and theoretical frameworks to perform/complement a systematic bibliographic analysis, develop comparative models/syntheses with the historical center of Évora and other examples.
- d) Simulate through three-dimensional virtual models (augmented reality and/or virtual reality) to Malagueira not-built in confrontation with reality
- e) Produce, transfer, promote and disseminate the knowledge collected and produced through articles and communications, streamline partnerships, implement events (scientific, cultural, educational and artistic), such as exhibitions and workshops;
- f) Cartograph, registering, systemize a charter for Malagueira, present a diagnosis of the existing situation and define the operational guidelines for its safeguard;
- g) Develop initiatives that contribute to the recognition and identification of the value of Malagueira by the inhabitants and tourists of Évora.

The applicant may be in charge of teaching hours up to a maximum of 4 hours a week, in the units that will be distributed.

2. Applicable legislation: Decree No. 57/2016, of August 29th, which approves a regime of hiring of doctorates intended to stimulate scientific and technological employment in all areas of knowledge (RJEC), amended by Law No. 57/2017, of July 19; General law of work in public functions (LTFP), approved in annex to Law No. 35/2014, of June 20, in its current wording.

3. Pursuant to article 16 of Decree-Law No. 57/2016 of 29 August, this bankruptcy procedure is exempt from the authorisation of the members of the government responsible for the areas of finance and public administration,

namely that referred to in paragraph 3 of the article 7th of the LTFP; Obtaining the favourable prior opinion of the members of the government responsible for the areas of finance and public administration, referred to in article 30 (5) of the LTFP and the procedure for recruiting workers in a situation of requalification, referred to in Article 265 of the LTFP.

4. In accordance with article 13 of the RJEC the contest jury has the following composition:
President: Paulo Simões Rodrigues, Prof. Auxiliar, Escola de Ciências Sociais, Universidade de Évora.
Vowels:

João Manuel Barbosa Menezes de Sequeira, Prof. Auxiliar Convitado, Universidade da Beira Interior;
José Vítor de Almeida Florentino Correia, Prof. Auxiliar, Faculdade de Arquitetura, Universidade de Lisboa;
João Gabriel Candeias Dias Soares, Prof. Associado, Escola de Artes, Universidade de Évora.

5. Work is located in the Center of History of Art and Artistic Research (CHAIA, Palácio do Vimioso, Largo Marquês de Marialva, n.º 8 I 7002-554 Évora), and when this is necessary in accordance with the needs of the project, in other areas of the University of Évora, or agreed by this under the proposal of the IR.

6. Monthly remuneration to be paid is the remuneration corresponding to level 33 of the Single Salary Table, approved by Order no. 1553-C/2008 of December 31st, i.e. 2128,34 Euros.

7. Admissibility:

Opposers to the competition may be national, foreign or stateless candidates who are holders of basic training in architecture, have the degree of Doctor in architecture and are holders of a scientific and professional curriculum that reveals an appropriate profile for the activity to be developed with:

- a) Scientific production in the area of the above-mentioned research project;
- b) Minimum of 15 years of professional experience as author in architecture or artistic design and creation, in the disciplinary area of architecture;
- c) Foreign language skills in Portuguese and English, written and spoken.

If the PhD has been awarded by a foreign higher education institution, the candidates are admitted to the procedure, according to paragraph e) of paragraph 2 of article 4 of Decree-Law n.º 60/2018, of 3th August. The registration/recognition of the degree in Portugal is effected after the end of the tender, under the terms defined in Decree-Law n.º 66/2018, of 16th August; that registration/recognition is a necessary step for contracting.

8. These are general requirements for admission to tender as defined in article 17 of the LTFP and the particular preferential requirements set out in the preceding paragraph.

9. According to the requirements, the jury may decide to proceed to the exclusion of candidates who, on absolute merit and considered the overall curriculum in all its aspects, do not enter the area or disciplinary areas to which the competition relates or do not reach the level of Quality compatible with the category for which the contest was opened.

10. Pursuant to article 5 of the RJEC, the selection is carried out through the evaluation of the scientific and curricular trajectory of the candidates.

11. The evaluation of the scientific and curricular course focuses on the relevance, quality and timeliness:

- a) Research experience and scientific production in the area of architecture;
- b) Professional experience in architecture (in the production and authorship of design, in architectural and/or artistic creation, and in the analysis and evaluation of projects);
- c) Ability to organize knowledge dissemination activities in the last 5 years, namely in the context of the promotion of architectural culture and scientific practices, considered more relevant by the candidate.

The periods referred to in the preceding paragraph may be increased by the jury, at the request of the applicant, when founded on the suspension of scientific activity for socially protected reasons, in particular, for reasons of parenting license, prolonged serious illness, and other situations of unavailability for legally tutored work.

12. The final classification system of candidates is expressed from 0 to 100. The value is calculated weighing each factor as follows and bearing in mind that it is intended to select a researcher able to develop research on Malagueira as a heritage:
