Job description:

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of one Full Professor, in the disciplinary area of Ecology and Environment (Sub-area Ecological Sciences) at the School of Science and Technology of the University of Évora, to be integrated into the staff map of this University. This position will be announced in the Bolsa de Emprego Público, in the web pages of the Fundação para a Ciência e Tecnologia, I.P., and of UE, in Portuguese and English, as established in articles 62.º-A of the Estatuto da Carreira Docente Universitária (ECDU), republished as attachment to the Decreto-Lei n.º 205/2009, of August 31, altered by the Lei n.º 8/2010, of May 13. The call follows what is established in the Decreto-Lei n.º 57/2016, of August 29, in the formulation of the Lei n.º 57/2017, of July 19, and is included in the Programa de Estímulo ao Emprego Científico, financed by FCT, after approval in the Concurso Estímulo ao Emprego Científico Institucional. The present call follows the rulings of articles 37.º to 51.º, 61.º and 62.º-A of the ECDU and further applicable laws and regulations, particularly the Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora, henceforth called Regulamento, approved by the Despacho n.º 2433/2019, published in the 2nd Series of Diário da República, n.º 49, of March 11. The joint order n.º 373/2000, of 31th March, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices: "As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and in professional progression, scrupulously endeavouring to avoid any form of discrimination". In accordance with articles 37.º to 51.º of the ECDU and other applicable legislation and with article 8.º of the Regulamento, the following provisions will apply: I - Authorization order - the present open position was authorized by order of the Rector of the University of Évora, in November 29th 2019. II - Place of work: School of Science and Technology of the University of Évora. III - Admission requirements: III.1. Chapter IV of the Regulamento is applied in regard to verification and compliance with the requirements of admission and exclusion of the candidates. III.2. Candidates must hold a PhD degree in Ecology, Geography or in a related area, for more than 5 years, the academic title of Habilitation [Agregação], as well as fluency in the Portuguese language, both spoken and written. III.3. The holders of a doctoral degree obtained abroad must have equivalence/recognition/registration of that degree to an identical degree granted by a Portuguese University. The candidates covered by this item, that do not fulfil this requirement shall be admitted conditionally by the Secretary of this call. The equivalence/recognition/registration of that degree in Portugal is effected after the end of the tender under the terms defined in Decreto-Lei n.º 66/2018, of August 16th. That equivalence/recognition/registration is a necessary step for contracting. III.4. Foreign candidates, except those of an official portuguese expression, are required to provide an officially recognized statement, demonstrating that they master Portuguese language, in both written and spoken forms. IV — Admission requirements in absolute merit: IV.1. Article 12.º of the Regulamento is applied with regard to admission in absolute merit of candidates. IV.2. The jury will deliberate on their approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed, considering approved in absolute merit the nominee who receives the affirmative vote of more than half of the voting jury members. IV.3. The approval in absolute merit is considered on the overall curriculum, that the jury considers to have scientific merit, research capacity and value of the pedagogical activity already developed, compatible with the area or disciplinary areas to which the contest respects, and appropriate to the respective category.
