National Partner Institutions: Instituto Politécnico de Tomar, Universidade de Aveiro,

What is international credit mobility?

For over 25 years, Europe has funded the Erasmus programme, which has enabled over three million European students to spend part of their studies in another higher education institution (HEI) in Europe. Erasmus+ continues these opportunities, allowing for mobility to other continents (between the so-called "Programme" and "Partner Countries").

Erasmus+ now offers opportunities for students to study or train and staff to teach or train in HEIs beyond Europe. It also makes the same opportunities available for staff and students from countries beyond Europe to come to participating HEIs in Europe. This is known as International Credit Mobility and is an activity under Key Action 1 Mobility.

To students:

All applications admitted will be evaluated and graded from 1 (minimum) to 20 (maximum) in each of the three evaluation criteria:

A. Merit of the Applicant;

B. knowledge and interest in the host country's culture and/or language.

C. Number of mobilities carried out

Applicants will be ranked according to the weighted average of the score obtained in the three criteria, according to the following relative weighting: **70%** Merit of the Applicant (A); **20%** knowledge and interest in the host country's culture and/or language (B), **10%** number of mobilities done, (C), converted into the following formula:

$$\text{Final Score} = (0.70 \times A) + (0.20 \times B) + (0.10 \times C)$$

Applicants whose application is scored with a final grade lower than 60% are not eligible for studentship granting.

Criterion A - Merit of the applicant, is evaluated based on two sub-criteria:

A1. Academic performance (reflecting the academic degree grades), with a relative weight of **70%** in the Merit of the Applicant. The academic performance sub-criterion is calculated according to the final classification indicated in the academic degree certificate(s), submitted by the applicant in the application form (Graduate degree; Master degrees/Integrated Master degree)

A2. Motivation letter, with a relative weight of **30%** in the Merit of the Applicant. The classification of this sub-criterion should consider the clear identification of the applicant's motifs to submit the application.

$$\text{Criterion A} = (A1 \times 0.7) + (A2 \times 0.3)$$

Applicants that state a degree of disability, duly proven and equal to or above 90%, shall have a bonus of 20% on criterion A – Merit of the Applicant. Applicants that state a degree of disability, duly proven, equal to or above 60% and under 90%, shall have a bonus of 10% on this criterion.

Criterion B - knowledge and interest in the host country's culture and/or language.

Criterion C - Number of mobilities carried out.
