**INTERNATIONAL CREDIT MOBILITY  
CALL FOR APPLICATIONS  
INSTITUTIONAL ICM - 2019-1-PT01-KA107-060423**

**What is international credit mobility?**

For over 25 years, Europe has funded the Erasmus program, which has enabled over three million European students to spend part of their studies in another higher education institution (HEI) in Europe. Erasmus+ continues these opportunities, allowing for mobility to other continents (between the so-called "Program" and "Partner Countries").

Erasmus+ now offers opportunities for students to study or train and staff to teach or train in HEIs beyond Europe. It also makes the same opportunities available for staff and students from countries beyond Europe to come to participating HEIs in Europe. This is known as International Credit Mobility and is an activity under Key Action 1 Mobility.

**How to apply**

The application for students and staff should be done at electronic address: <https://siue.uevora.pt>. The candidate must first register in the system to obtain access credentials. Then, accessing again <https://siue.uevora.pt> with these credentials, can submit his application.

### Selection criteria

#### To students:

All applications admitted to be evaluated must be graded from 0 (minimum) to 20 (maximum) in each of the three evaluation criteria:

- A. Merit of the Applicant;
- B. Merit of the Work Programme;
- C. knowledge and interest in the host country's culture, values and language.
- D. Number of mobilities carried out in the frame of Erasmus + projects

Applicants will be ranked according to the weighted average of the score obtained in the three criteria, according to the following relative weighting: **70%** Merit of the Applicant (A); **20%** knowledge and interest in the host country's culture, values and language (B), **10%** number of mobilities done, (C), converted into the following formula:

$$\text{Final Score} = (0.70 \times A) + (0.20 \times B) + (0.10 \times C)$$

Applicants whose application is scored with a final grade lower than 12.0 are not eligible for studentship granting.

**Criterion A - Merit of the applicant**, is evaluated based on two sub-criteria:

A1. Academic performance (reflecting the academic degree grades), with a relative weight of **60%** in the Merit of the Applicant. The academic performance sub-criterion is calculated according to the final classification indicated in the academic degree certificate(s), submitted by the applicant in the application form (Graduate degree; Master degrees/Integrated Master degree) or by the classification obtained in the credits already concluded and its number.

A2. Motivation letter, with a relative weight of **40%** in the Merit of the Applicant. The classification of this sub-criterion should consider the clear identification of the applicant's motifs to submit the application.

$$\text{Criterion A} = (A1 \times 0.6) + (A2 \times 0.4)$$

Applicants that state a degree of disability, duly proven and equal to or above 90%, shall have a bonus of 20% on criterion A – Merit of the Applicant. Applicants that state a degree of disability, duly proven, equal to or above 60% and under 90%, shall have a bonus of 10% on this criterion. These bonuses will only be applied after the host institution confirms that it is able to receive candidates with a degree of disability.

**Criterion B - knowledge and interest in the host country's culture, values and language.** This criterion has a relative weight of 20% and takes into account the interest of the applicant on the host country.

**Criterion C - Number of mobilities carried out.** Candidates that do not have realized mobilities will be encouraged, with a supplement score of 10% for the first mobility, decreasing proportionally the score of this criterion, according to the number of mobilities carried out within the scope of the ICM projects
