Job summary:

By order dated October 29th 2020 of the Rector of the University of Évora, it was deliberated to open an international selection contest for the position of doctor for the exercise of scientific research activities in the scientific area of Veterinary Medicine under a fixed term public service work contract regime with the duration of three years, pursuant to Decree-Law No. 57/2016, of 29 August and the Regulation for the Evaluation of the Performance of Doctoral Researchers at the University of Évora, published by Order No. 7123/2019 (2nd series), of August 9, for the purposes provided for in the first clause, in order to carry out the functions of researcher under the research line Animal Production & Health in MED: Mediterranean Institute for Agriculture, Environment and Development, with the reference UIDB/05183/2020. In particular, the candidate will: - Support ongoing and to be carried out research and development activities in the area of animal reproduction, including active participation in field and laboratory work. - Prepare and submit scientific outputs (articles, communications at congresses, others) related to ongoing and to be carried out work in the area of animal reproduction. - Prepare applications for competitive financing for research and/or demonstration & dissemination projects focused on animal reproduction. - Coordinate and execute research work in the Laboratory of Reproduction and Lactation of MED - Promote and make scientific use of the Centre for collection of bovine semen in the installation phase at the "Pólo da Mitra" of the University of Évora. The candidate can be in charge of teaching activities, up to a maximum of 4 hours per week, in the curricular units of the scientific area of the present contest.

Job description:

ANNOUNCEMENT OF OPENING OF AN INTERNATIONAL SELECTION CONTEST PROCEDURE FOR CONTRACTING A DOCTOR UNDER ARTICLE 23 OF THE DECREE-LAW N.º 57/2016, OF 29TH AUGUST THEMATIC LINE – ANIMAL PRODUCTION & HEALTH Universidade de Évora Aviso (extrato) nº 337/2021 1. By order dated October 29th 2020 of the Rector of the University of Évora, it was deliberated to open an international selection contest for the position of doctor for the exercise of scientific research activities in the scientific area of Veterinary Medicine under a fixed term public service work contract regime with the duration of three years, pursuant to Decree-Law No. 57/2016, of 29 August and the Regulation for the Evaluation of the Performance of Doctoral Researchers at the University of Évora, published by Order No. 7123/2019 (2nd series), of August 9, for the purposes provided for in the first clause, in order to carry out the functions of researcher under the research line Animal Production & Health in MED: Mediterranean Institute for Agriculture, Environment and Development, with the reference UIDB/05183/2020. In particular, the candidate will: - Support ongoing and to be carried out research and development activities in the area of animal reproduction, including active participation in field and laboratory work. - Prepare and submit scientific outputs (articles, communications at congresses, others) related to ongoing and to be carried out work in the area of animal reproduction. - Prepare applications for competitive financing for research and/or demonstration & dissemination projects focused on animal reproduction. - Coordinate and execute research work in the Laboratory of Reproduction and Lactation of MED - Promote and make scientific use of the Centre for collection of bovine semen in the installation phase at the "Pólo da Mitra" of the University of Évora. The candidate can be in charge of teaching activities, up to a maximum of 4 hours per week, in the curricular units of the scientific area of the present contest. 2. Applicable

legislation: Decree-Law no. 57/2016 of 29th August, which approves the doctor hiring regime destined to stimulate scientific and technological employment in all areas of knowledge (RJEC). General Public Service Labour Law (LTFP), approved in annex to Law no. 35/2014 of 20 June, under its current wording. 3. Pursuant to article 16 of Decree-Law no. 57/2016 of 29th August, this contest procedure shall be exempt from authorization by the Government members in charge of the areas of Finances and Public Administration, namely that mentioned in nº 3 of article 7 of the LTFP; from obtaining a prior favourable opinion from the Government members in charge of the areas of Finances and Public Administration, mentioned in nº 5 of article 30 of the LTFP, and the recruitment process for workers in a requalification position, mentioned in article 265 of the LTFP. 4. Pursuant to article 13 of the RJEC, the contest selection panel has the following composition: President: Doutor Rui Miguel Carracha Charneca, Prof. Auxiliar da Universidade de Évora Members: Doutora Rita Maria Payan Martins Pinto Carreira, Professora Catedrática da Universidade de Évora; Doutora Elisa Maria Varela Bettencourt, Professora Associada da Universidade de Évora; Doutor António Luiz Mittermayer Madureira Rodrigues Rocha, Professor Catedrático do Instituto de Ciências Biomédicas Abel Salazar da Universidade do Porto (ICBAS); Doutor Carlos Manuel Varela Bettencourt, Diretor do Centro de Experimentação do Baixo Alentejo, Professor Associado convidado do ICBAS e da Universidade Lusófona; Doutor Miguel Nuno Pinheiro Quaresma, Técnico Superior do Hospital Veterinário da Universidade de Trás-os-Montes e Alto Douro (UTAD) na área de Animais de Produção e Equinos. 5. The main place of work is situated in "Pólo da Mitra" of the University of Évora, Valverde, Portugal. Some activities can be also performed in the "Pólo" of the University of Évora in the Equine Clinic Unit of the "Coudelaria de Alter", Alter do Chão, Portugal or in other locations, anytime the service demands it. 6. The monthly remuneration to be paid is 2 134,73€ corresponding to level 33 of the Single Salary Table, approved by Order no. 10-B/2020 of 20th March. 7. Any national, foreign and stateless candidates of with a degree in Veterinary Medicine and who hold a doctorate degree in Veterinary Sciences or equivalent course, with an active registration in the "Ordem dos Médicos Veterinários" and a scientific and professional curriculum whose profile is suited for the activity to be performed. In particular: a) Research experience demonstrated by participation in research activities in the area of Animal Reproduction, mainly in the area of Andrology and/or assisted reproduction techniques in livestock and horses, assessed by the authorship of scientific articles and communications at relevant scientific events; c) Proven experience of direct working capacity with livestock and horses (field work, e.g. breeding soundness exams, artificial insemination); d) Experience in the preparation and submission of scientific project applications; e) Competences in spoken and written Portuguese and English. If the PhD has been awarded by a foreign higher education institution, the candidates are admitted to the procedure, according to paragraph e) of paragraph 2 of article 4 of Decree-Law nº 60/2018, of 3th August and the registration/recognition of the degree in Portugal to be effected after the end of the tender, under the terms provided for in Decree-Law nº 66/2018, of 16th August, and is only necessary in the act of contracting. 8. General contest admission requirements are those specified in article 17 of the LTFP and special requirements are those specified in the previous section. 9. Pursuant to article 5 of the RJEC, selection is to be made based on the evaluation of the scientific and curricular career of the candidates. 10. The evaluation of the scientific and curricular career focuses on relevance, quality and up-to-datedness: a) of the scientific and technological production in the last five years, deemed most relevant by the candidate; b) of research activities, applied or based on practical work, developed in the last five years, and considered of greatest impact by the candidate; c) of knowledge extension and dissemination activities developed in the last five years, namely in the context of the promotion of scientific outputs, considered of greatest relevance by the candidate. 11. The five-year period mentioned above can be extended by the panel, if requested by the candidate, whenever the suspension of scientific activities is founded on socially protected grounds such as paternity leave, long-term serious illness, and other legal situations of unavailability to work. 12. Evaluation criteria are: a) scientific performance in the last five years; b) research activities, applied or based on practical work, developed in the last five years; c) extension and dissemination activities developed in the last five years; d) other activities; e) a public presentation. In the application of these criteria, the following parameters and weight factors are evaluated: criterium a) scientific production of the candidate - with a weighting factor of 35%, which includes the number of scientific outputs (books, book chapters and scientific articles), considering the quality of publications and the particular intervention of the candidate, being evaluated the intrinsic quality of their scientific content; criterium b) with weight factor of 25%, which includes: b1) experience as member and Principal Investigator (PI) of national or international projects; b2) post-graduated experience and career development (ex. postgraduate courses in the Animal Reproduction area). criterium c) with weight factor of 15%, which includes: c1) experience in knowledge transfer and/or teaching activities; c2) presentations on scientific events, considering the quality of the event, the form of presentation and the intrinsic quality of the scientific content criterium d) other relevant activities, namely proven experience on field work with livestock and horses within the frame of the professional activity as Veterinarian, with a weighting factor of 15%. criterium e) public presentation, if decided by the jury, with a weighting factor of 10%. The public presentation referred to in point 12 comprises a public presentation and discussion session by the candidates about the results of their research. In all cases relevance will be given to indicators and activities which fall in the scientific area of Veterinary Medicine and especially the tasks referred to in point 1. 13. The system of final classification is expressed on a scale of 0 to 100. 14. The panel shall deliberate by means of roll call vote justified under the adopted and disclosed selection criteria, with no abstentions allowed. 15. Minutes of panel meetings shall be elaborated and will include a summary of all occurrences, as well as of all votes cast by the members and their respective reasoning, and shall be provided to candidates whenever requested. 16. After concluding the application of the selection criteria, the panel will prepare an ordered list of approved candidates and their respective classification. 17. The panel's final decision will be validated by the head of the institution, who is also in charge of deciding about the contracting. 18. Formalization of candidatures: 19.1 Candidatures are formalized by way of an official request form, available at the e-mail address of the Administrative Services of the University of Evora, <http://www.sadm.uevora.pt>, sent to the President of the Jury, which includes the

identification of this announcement (Ref. MED-09), full name, parents' names, ID card or Citizen Card number and date or civil identification number, taxpayer ID number, date and place of birth, marital status, occupation, residence and contact address, including email address and telephone. 19.2 The application for admission to the contest is accompanied by the following documents: a) documents proving the fulfilment of the conditions set out in points 7 and 8 for admission to this contest, namely, certificate of the degrees and titles required and certificate of length of service; b) the PhD thesis; c) curriculum vitae of the candidate, indicating the outputs and works carried out and published, as well as the scientific and technological activities developed. The curriculum vitae must be prepared taking into account the evaluation parameters referred to in points 10 and 12; d) a motivation letter; e) copy of papers selected by the candidate as most representative of their curriculum vitae up to a maximum of 5; 19.3 Candidates should submit their application request and supporting documentation, preferably in digital form, in PDF format, to the email drhsc@uevora.pt, in person at the Universidade de Évora – Divisão de Recursos Humanos (DRH), Serviços Administrativos, Largo da Sr.^a da Natividade, Apartado 94, 7002-554 Évora, Portugal, during working hours, or by mail to the same address. When submitted by mail, applications must be sent by registered mail with acknowledgement of receipt sent until the last day of application deadline, which is hereby set as 30 working days after the publication of this Announcement. 19. All candidates who formalize their applications in an improper way or fail to prove the requirements imposed by this contest are excluded from admission. In case of doubt, the panel is entitled to request any candidate to present further documentation supporting their statements. 20. False statements provided by the candidates will be punished by law. 21. A list of the candidates admitted and excluded as well as the final classification list is publicized on the webpage <http://www.sadm.uevora.pt>, and the candidates are notified by email with receipt of delivery. 22. Preliminary Hearing and Final Decision Deadline: Pursuant to article 121 of the Administrative Procedure Code, after notification, all candidates have 10 working days to respond. The panel's final decisions are pronounced within a period of 90 days, counted from the deadline for presentation of applications. 23. This contest is exclusively destined to fill this specific vacancy and can be terminated at any time until approval of the final candidate list, expiring with the respective occupation of the vacancy. 24. Non-discrimination and equal access policy: The University of Évora actively promotes a non-discrimination and equal access policy, wherefore no candidate can be privileged, benefited, impaired or deprived of any rights whatsoever, or be exempt of any duties based on their ancestry, age, sex, sexual preference, marital status, family and economic conditions, instruction, origin or social conditions, genetic heritage, reduced work capacity, disability, chronic illness, nationality, ethnic origin or race, origin territory, language, religion, political or ideological convictions and union membership. 25. Pursuant to Decree-Law no. 29/2001 of 3 February, disabled candidates shall be preferred in a situation of equal classification, and this preference supersedes any other legal preference. Candidates must declare, on their honour, their respective disability degree, type of disability and communication/expression means. December 17th, 2020 – The Administrator of the University of Évora, Maria Cesaltina Frade.
