OFFER DESCRIPTION

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of two Assistant Professor, in the disciplinary area of Health Sciences and Technologies at the School of Health and Human Development of the University of Évora, to be integrated into the staff map of this University. This position will be announced in the Bolsa de Emprego Público, in the web pages of the Fundação para a Ciência e Tecnologia, I.P., and

of UE, in Portuguese and English, as established in articles 62.º-A of the Estatuto da Carreira Docente Universitária (ECDU), republished as attachment to the Decreto-Lei n.º 205/2009, of August 31, altered by the Lei n.º 8/2010, of May 13.

The present call follows the rulings of articles 37.º to 51.º, 61.º and 62.º-A of the ECDU and further applicable laws and regulations, particularly the Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora, henceforth called Regulamento, approved by the Despacho n.º 2433/2019, published in the 2nd Series of Diário da República, n.º 49, of March 11.

The joint order n.º 373/2000, of 31th March, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and in professional progression, scrupulously endeavouring to avoid any form of discrimination”.

In accordance with articles 37.º to 51.º of the ECDU and other applicable legislation and with article 8.º of the Regulamento, the following provisions will apply:

I - Authorization order - the present open position was authorized by order of the Rector of the University of Évora, in april 19rd 2022

II - Place of work: School of Health and Human Development of the University of Évora.

III - Admission requirements:

III.1. Chapter IV of the Regulamento is applied in regard to verification and compliance of the requirements of admission and exclusion of the candidates.

III.2. Candidates must hold a PhD degree in Pharmaceutical Sciences/ Pharmacy, as well as fluency in portuguese language, both spoken and written.

III.3. The holders of a doctoral degree obtained abroad must have equivalence/recognition /registration of that degree to an identical degree granted by a Portuguese University. The equivalence/recognition/registration of that degree in Portugal is effected after the end of the tender under the terms defined in Decreto-Lei n.º 66/2018, of August 16th. That equivalence/recognition/registration is a necessary step for contracting.

III.4. Foreign candidates, except those of an official portuguese expression, are required to provide an officially recognized statement, demonstrating that they master Portuguese language, in both written and spoken forms.

IV — Admission requirements in absolute merit:

IV.1. Article 12.º of the Regulamento is applied with regard to admission in absolute merit of

candidates.

IV.2. The jury will deliberate on their approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed, considering approved in absolute merit the nominee who receives the affirmative vote of more than half of the voting jury members.

V - Valuation parameters and ranking in relative merit, respective weighting and final valuation system:

V.1. The method of selection is curricular evaluation. This curricular evaluation, takes into account the general functions committed to the teachers by article 4 and according to n° 6 of article 50 of the ECDU, is based on the following items:

- a) Research;
- b) Teaching;
- c) Knowledge transfer (only applies in exceptional cases);
- d) Activities of academic management;
- e) Scientific and pedagogical project.

V.2. In the application of the criteria defined in number V.1., the following parameters and weights will be used:

- a) Research, with weight of 35%, which comprises:
