Offer Description

It is hereby made public that for 30 working days counted from the first working day following the publication of this *Edital* in *Diário da República*, an international position is open for the recruitment of two Assistant Professors, in the disciplinary area of Computer Science of the University of Évora, to be integrated into the staff map of this University. This position will be announced in the *Bolsa de Emprego Público*, in the web pages of the *Fundação para a Ciência e Tecnologia*, I.P., and of UE, in Portuguese and English, as established in articles 62.º-A of the *Estatuto da Carreira Docente Universitária* (ECDU), republished as an attachment to the Decreto-Lei n.º 205/2009, of August 31, altered by the *Lei* n.º 8/2010, of May 13.

The present call follows the rulings of articles 37.º to 51º, 61º and 62º-A of the ECDU and further applicable laws and regulations, particularly the *Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora*, henceforth called *Regulamento*, approved by the *Despacho* n.º 2433/2019, published in the 2nd Series of *Diário da República*, n.º 49, of March 11.

The joint order n.º 373/2000, of March 31st, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and professional progression, scrupulously endeavouring to avoid any form of discrimination”.

Following articles 37º to 51º of the ECDU and other applicable legislation and with article 8º of the *Regulamento*, the following provisions will apply:

I - Authorization order - the present open position was authorised by order of the Rector of the University of Évora, on may,7th 2024.

II - Place of work: School of Sciences and Technology of the University of Évora

III - Admission requirements:

III.1. Chapter IV of the *Regulamento* is applied regarding verification and compliance with the requirements of admission and exclusion of the candidates.

III.2. Under the terms of article 41-A of the ECDU, can only be admitted to present call, holders of a PhD in Computer Science or related fields, at the closing date for applications, who must be proficient in the Portuguese language, both spoken and written.

III.3. If a foreign higher education institution has awarded the PhD degree, the candidates are admitted, according to paragraph e) of n.º2 of article 4th of Decreto-Lei n.º 60/2018, of August 3 and the registration/recognition of the degree in Portugal must be carried out after the end of the competition, under the terms set out in Decreto-Lei n.º 66/2018, of August 16th, being a requirement for the act of signature of the contract.

III.4. Foreign candidates, except those of an official Portuguese expression, must provide an officially recognised statement, demonstrating that they have mastered the Portuguese language, in both written and spoken forms.

IV — Admission requirements in absolute merit:

IV.1. Article 12º of the *Regulamento* is applied concerning admission on the absolute merit of candidates.

IV.2. The jury will deliberate on the approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed. Approval in absolute merit is understood as receiving a positive vote of more than half of the voting jury members.

IV.3. The admission in absolute merit is based on the overall curriculum, which the jury deems scientific merit, research ability and value of the pedagogical activity, as already developed, in the area or disciplinary areas the position respects, and appropriate to the respective category.

V - Evaluation parameters and ranking in relative merit, weighting and final assessment:

V.1. The method of selection is curricular evaluation. This curricular evaluation takes into account the general functions committed to the teachers by article 4 and according to nº 6 of article 50 of the ECDU, is based on the following items:

- a) Research;
- b) Teaching;
- c) Knowledge transfer;
- d) Academic management;
- e) Scientific and pedagogical project.

V.2. In the application of the criteria defined in number V.1., the following parameters and weights will be used:

a) Research, with a weight of 40%, which comprises:

- a1) Scientific production and its relevance in which the position is opened;
- a2) Other scientific, cultural, artistic or technological activities;

b) Teaching, with weight of 20%, which comprises:

- b1) Teaching experience;
- b2) Student supervision;
- b3) Publication of textbooks with ISBN and other educational texts;
- b4) Educational innovation;

c) Knowledge transfer, with a weighting factor of 10% and comprising the following parameters:

- c1) Intellectual and industrial property;
- c2) Contracts for the provision of specialized services;
- c3) Training actions;

c4) Non-academic experience relevant to the disciplinary area of the competition.

d) Academic management with a weighting factor of 10%.

e) Scientific-pedagogical project, with a weighting factor of 20%, to fit within the scope of the development of the anchor areas of the University of Évora presented in the following terms:

e1) maximum of 5 thousand (5000) words;

e2) Submit a concise research proposal and a strategy for training in the subject area of the competition, highlighting the innovative nature of the project, its relationship with the University's strategy, as well as its potential interaction with other research units or organisational units of the University, especially the School of Science and Technology. The scientific aspect must be related to the pedagogical component that the candidate intends to implement;

e3) As in a scientific work, the document must be framed by the state of the art, materials and methods.

e4) Should refer to the strategy for attracting human and financing resources that support the development and consolidation of the proposed research strategy. The candidate should also add previous results of his investigation that can support the submitted proposal.

e5) Contain a summary of the most recent bibliographic references as well as a summary of the expected results.

V.3. The jury will proceed with the evaluation of the candidates approved in absolute merit, following the procedure expressed in Article 22nd of the *Regulamento*.

V.4. The ranking of the candidates will be the result of the weighted average of quantitative scores obtained in each of the evaluation parameters, within a range of 0 to 100 points.

VI – Public hearings:

VI.1. The jury will deliberate at the first meeting on the need to hold public hearings of all candidates approved in absolute merit which are intended, exclusively, to clarify what appears in the curriculum vitae submitted by the candidates, under the terms of b), nº 4 of article 50º of ECDU, with all candidates being informed, at least five working days in advance, of the date and place where such hearings will take place.

VI.2. Public hearings referred to in the previous paragraph may be held by videoconference, but the jury must guarantee that these are carried out on equal terms for all candidates.

VI.3. According to paragraph a), nº 4 of article 50º of ECDU the jury may also request candidates to provide additional documentation related to the submitted curriculum.

VII - Application submission:

VII.1. Applications must be sent within 30 working days from the day immediately following the publication of this *Edict* in *Diário da República*.

VII.2. The *Requerimento* and the remaining documents requested in the application procedure must be presented in person, during office hours (from 9 am - 12:30 p.m. and 2:00 p.m. - 5:30 p.m.) at the address below, or sent by registered mail with return receipt, up to the deadline, to *University of Évora, Divisão de Recursos Humanos, Serviços Administrativos, Largo da Srª da Natividade, Apartado 94, 7002-554 Évora*

VIII - Application form:
