Offer Description

It is made public that for 30 working days counted from the first working day following the publication of this *Edital* in *Diário da República*, an international position is open for the recruitment of an Assistant Professor, in the disciplinary areas of Veterinary Medicine - Pre-clinical Sciences and Public Health and Food Hygiene of the University of Évora, to be integrated into the staff map of this University. This position will be announced in the *Bolsa de Emprego Público*, in the web pages of the *Fundação para a Ciência e Tecnologia*, I.P., and of UE, in Portuguese and English, as established in articles 62.º-A of the *Estatuto da Carreira Docente Universitária* (ECDU), republished as an attachment to the Decreto-Lei n.º 205/2009, of August 31, altered by the *Lei* n.º 8/2010, of May 13.

The present call follows the rulings of articles 37.º to 51.º, 61.º and 62.º-A of the ECDU and further applicable laws and regulations, particularly the *Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora*, henceforth called *Regulamento*, approved by the *Despacho* n.º 2433/2019, published in the 2nd Series of *Diário da República*, n.º 49, of March 11.

The joint order n.º 373/2000, of March 31st, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and professional progression, scrupulously endeavouring to avoid any form of discrimination”.

Following articles 37º to 51º of the ECDU and other applicable legislation and with article 8º of the *Regulamento*, the following provisions will apply:

I - Authorization order - the present open position was authorised by order of the Rector of the University of Évora, on 22/07/2024.

II - Place of work: School of Sciences and Technology of the University of Évora

III - Admission requirements:

III.1. Chapter IV of the *Regulamento* is applied regarding verification and compliance with the requirements of admission and exclusion of the candidates.

III.2. Under the terms of article 41-A of the ECDU, only those who hold a PhD in Veterinary Sciences or an appropriate area to the subject area of the competition on the closing date for applications may be admitted to this competition, as well as those who are proficient in spoken and written Portuguese.

III.3. If a foreign higher education institution has awarded the PhD degree, the candidates are admitted, according to paragraph e) of nº2 of article 4th of Decreto-Lei nº 60/2018, of August 3 and the registration/recognition of the degree in Portugal must be carried out after the end of the competition, under the terms set out in Decreto-Lei nº 66/2018, of August 16th, being a requirement for the act of signature of the contract.

III.4. Foreign candidates, except those of an official Portuguese expression, must provide an officially recognised statement, demonstrating that they have mastered the Portuguese language, in both written and spoken forms.

IV — Admission requirements in absolute merit:

IV.1. Article 12º of the *Regulamento* is applied concerning admission on the absolute merit of candidates.

IV.2. The jury will deliberate on the approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed. Approval in absolute merit is understood as receiving a positive vote of more than half of the jury members.

IV.3. The admission in absolute merit is based on the overall curriculum, which the jury deems scientific merit, research ability and value of the pedagogical activity, as already developed, in the area or disciplinary areas the position respects, and appropriate to the respective category.

V - Evaluation parameters and ranking in relative merit, weighting and final assessment:

V.1. The method of selection is curricular evaluation. This curricular evaluation takes into account the general functions committed to the teachers by article 4 and according to nº 6 of article 50 of the ECDU, is based on the following items:

- a) Research;
- b) Teaching;
- c) Knowledge transfer;
- d) Academic management;
- e) Scientific and pedagogical project.

V.2. In the application of the criteria defined in number V.1., the following parameters and weights will be used:

a) Research, with a weight of 40%, which comprises:

a1) Scientific production and its relevance in which the position is opened;

a2) Participation and coordination of research projects and their relevance to the disciplinary areas in which the competition is open;

a3) Other scientific, cultural, artistic or technological activities;

b) Teaching, with weight of 20%, which comprises:

b1) Teaching experience (UC taught, teaching hours and student evaluation, if available);

b2) Student supervision;

b3) Publication of textbooks with ISBN and other educational texts;

b4) Proven pedagogical innovation;

c) Knowledge transfer, with a weighting factor of 10% and comprising the following parameters:

c1) Intellectual and industrial property;

c2) Contracts for the provision of specialised services;

c3) Training actions;

c4) Non-academic experience relevant to the disciplinary area of the competition.

c5) Dissemination and extension activities in the areas of interest of the call;

d) Academic management with a weighting factor of 10%.

e) Scientific-pedagogical project, with a weighting factor of 20%, within the framework of one of the Research Units of the University of Évora and addressing one of the Curricular Units of the Epidemiology and Public Health groups of the Integrated Master's Degree in Veterinary Medicine, and of the Master's Degree in Health - Human and Animal Public Health, within the scope of the development of the disciplinary areas of the competition, presented in the following terms:

e1) maximum of 5 thousand (5000) words;

e2) Submit a concise research proposal and a strategy for training in the subject area of the competition, highlighting the innovative nature of the project, its relationship with the University's strategy, as well as its potential interaction with other research units or organisational units of the University, particularly of the School of Science and Technology. The scientific aspect must be related to the pedagogical component that the candidate intends to implement;

e3) As in a scientific work, the document must be framed by the state of the art, materials and methods.

e4) Should refer to the strategy for attracting human and financing resources that support the developing and consolidating proposed research strategy. The candidate should also add previous results of his investigation that can support the submitted proposal.

e5) Contain a summary of the most recent bibliographic references and a summary of the expected results.

V.3. The jury will evaluate the candidates approved in absolute merit, following the procedure expressed in Article 22nd of the *Regulamento*.

V.4. The ranking of the candidates will be the result of the weighted average of quantitative scores obtained in each of the evaluation parameters, within a range of 0 to 100 points.

VI - Preferred parameters:

a) Scientific performance in the field of Epidemiology and or Public Health, in particular in the areas of Risk Analysis, Outbreak Research and Public Health Communication, Implementation and Evaluation of Epidemiological Surveillance Networks, within a 'One Health' framework that integrates the disciplinary areas constitutes an additional parameter (PA1), with up to 50 % of the total points obtained in the Research component (point V.2.a) of the notice).

b) Teaching experience at a university higher education institution, in Veterinary Medicine study cycles and in curricular units whose content contributes specifically to the training of students in Epidemiology, Epidemiological Surveillance, Public Health and Preventive Medicine, within a 'One Health' framework, is an additional parameter (PA2), with up to 50 % of the total points obtained in the Teaching component (point V.2.b) of the notice).

c) Performance in other activities relevant to the mission of higher education institutions within the scope of interventions in Public Health and or the One Health approach is an additional parameter (PA3), worth up to 30 per cent of the total points obtained in the Knowledge Transfer component (point V.2. c) of the notice).

VII – Public hearings:

VII.1. The jury will deliberate at the first meeting on the need to hold public hearings of all candidates approved in absolute merit which are intended, exclusively, to clarify what appears in the curriculum vitae submitted by the candidates, under the terms of b), nº 4 of article 50º of ECDU, with all candidates being informed, at least five working days in advance, of the date and place where such hearings will take place.

VII.2. Public hearings in the previous paragraph may be held by videoconference, but the jury must guarantee that these are carried out on equal terms for all candidates.

VII.3. According to paragraph a), nº 4 of article 50º of ECDU the jury may also request candidates to provide additional documentation related to the submitted curriculum.

VIII - Application submission:

VIII.1. Applications must be sent within 30 working days from the day immediately following the publication of this *Edital* in *Diário da República*.

VIII.2. The *Requerimento* and the remaining documents requested in the application procedure must be presented in person, during office hours (from 9 am - 12:30 p.m. and 2:00 p.m. - 5:30 p.m.) at the address below, or sent by registered mail with return receipt, up to the deadline, to *University of Évora, Divisão de Recursos Humanos, Serviços Administrativos, Largo da Srª da Natividade, Apartado 94, 7002-554 Évora*

IX - Application form:

IX.1. The application must be completed with the filing of a *Requerimento*, which is available on the website of the Administrative Services of the University of Évora at:

[https:// www.sadm.uevora.pt/documentos/concursos/\(id\)/427/\(base node\)/419](https://www.sadm.uevora.pt/documentos/concursos/(id)/427/(base%20node)/419) where the public notice number is expressly identified.

IX.2. The *Requerimento* shall be complemented by the following documents:

a) Certificate proving ownership and date of obtaining the degree and required for the competition in digital format (PDF);

b) Certification of the time of service issued by the service if there is a contract with the public administration, in pdf format.

c) Two copies in a paper, duly signed and dated, and one in pdf format of the candidate's *curriculum vitae*, with the indication of the articles and other work done and published, as well as identification of those that she/he considers most representative, for which a brief description of her/his contribution is required. The *curriculum vitae* must also indicate her/his educational activities developed. In the *curriculum vitae*, the candidate must respect the organisation used in V.2 of this call.

d) Two copies, in paper format, and one in pdf format, of the works selected by the candidate as the most representative in her/his *curriculum vitae*, up to a maximum of five works.

e) A digital copy (PDF) of the scientific-pedagogical project;
