Offer Description

UNIVERSITY OF EVORA

Edital 1604/2025 (2ª série), October 3th

Summary: International open position for an Assistant Professor in the disciplinary areas of Veterinary Medicine - Pre-Clinical Sciences and Clinical Sciences

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of an Assistant Professor, in the disciplinary areas of Veterinary Medicine - Pre-Clinical Sciences and Clinical Sciences of the University of Évora, to be integrated into the staff map of this University. This position will be announced in the Bolsa de Emprego Público, in the web pages of the Fundação para a Ciência e Tecnologia, I.P., and of UE, in Portuguese and English, as established in articles 62.º-A of the Estatuto da Carreira Docente Universitária (ECDU), republished as an attachment to the Decreto-Lei n.º 205/2009, August 31, altered by the Lei nº 8/2010, May 13.

The present call follows the rulings of articles 37.º to 51º, 61º and 62º-A of the ECDU and further applicable laws and regulations, particularly the Regulamento dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora, published in the Diário da República by Order No. 9696/2024 (2nd series), August 21, modified by Order No. 2123/2025, published in the Diário da República, 2nd series, February 14, henceforth called Regulamento.

The joint order nº 373/2000, March 31, made compulsory the inclusion of the following reference in all civil service recruitment procedure notices:

“As established in item h) of article 9.º of the Portuguese Constitution, Public Administration, when acting as an employer, actively promotes a policy of equal opportunity between men and women in access to employment and professional progression, scrupulously endeavouring to avoid any form of discrimination”.

Following articles 37º to 51º of the ECDU and other applicable legislation, and with article 8º of the Regulamento, the following provisions will apply:

I - Authorisation order - the present open position was authorised by order of the Rector of the

University of Évora, on August 26th 2025.

II - Place of work: School of Sciences and Technology of the University of Évora

III - Admission requirements:

III.1. Chapter IV of the Regulamento is applied regarding verification and compliance with the requirements of admission and exclusion of the candidates.

III.2. Following 41.º-A do ECDU, only those who hold a PhD in Veterinary Sciences and other areas considered related to this area of the competition on the closing date for applications, as well as proficiency in spoken and written Portuguese, may be admitted to this competition.

III.3. If a foreign higher education institution has awarded the PhD degree, the candidates are admitted, according to paragraph e) of nº 2 of article n.4 of Decreto-Lei nº 60/2018, August 3 and the registration/recognition of the degree in Portugal must be carried out after the end of the competition, under the terms set out in Decreto-Lei nº 66/2018, August 16, being a requirement for the act of signature of the contract.

III.4. Foreign candidates, except those from Portuguese-speaking countries, must submit an officially recognised document proving their proficiency in writing and speaking Portuguese.

IV — Admission requirements in absolute merit:

IV.1. Article 12º of the Regulamento is applied concerning admission on the absolute merit of candidates.

IV.2. The jury will deliberate on the approval or rejection in absolute merit, through justified nominal voting, where abstentions are not allowed. Approval in absolute merit is understood as receiving a positive vote of more than half of the jury members.

IV.3. Hold a pre-Bologna degree in Veterinary Medicine or a post-Bologna master's degree in Veterinary Medicine.

IV.4. The admission in absolute merit depends on the possession of an overall curriculum vitae that the jury considers to have scientific merit, research capacity, and the value of the teaching activity already carried out, compatible with the subject area to which the competition relates and its suitability for the professional category in which the competition is open.

V - Evaluation parameters and ranking in relative merit, weighting and final assessment:

V.1. The method of selection is curricular evaluation. This curricular evaluation takes into

account the general functions committed to the teachers by article 4 and, according to nº 6 of article 50 of the ECDU, is based on the following items:

a) Research;

b) Teaching;

c) Knowledge transfer;

d) Academic management;

e) Scientific and pedagogical project.

V.2. In the application of the criteria defined in number V.1., the following parameters and weights will be used:

a) Research, with a weight of 35%, which comprises:

a1) Scientific production and its relevance in the disciplinary area of the Edital;

a2) Participation and coordination of research projects and their relevance to the disciplinary areas in which the competition is open;

a3) Other scientific, cultural, artistic or technological activities;

b) Teaching, with a weight of 30%, which comprises:

b1) Teaching experience (UC taught, teaching hours and student evaluation, if available);

b2) Student supervision;

b3) Publication of textbooks with ISBN and other educational texts;

b4) Pedagogical innovation;

c) Knowledge transfer, with a weighting factor of 10% and comprising the following parameters:

c1) Intellectual and industrial property;

c2) Contracts for the provision of specialised services;

c3) Training actions;

c4) Non-academic experience relevant to the disciplinary area of the competition.

d) Academic management with a weighting factor of 5%.

e) Scientific-pedagogical project, with a weighting factor of 20 %, within the framework of the Research Units of the University of Évora articulated with the activity of the Veterinary Hospital of the University of Évora and a curricular unit within the disciplinary areas of this Edital, dealing with specific topics of Parasitology or Parasitic Diseases, presented in the

following terms:

e1) maximum of five thousand (5000) words;

e2) Submit a concise research proposal and a strategy for training in the subject area of the Edital, highlighting the innovative nature of the project, its relationship with the University's strategy, as well as its potential interaction with other research units or organisational units of the University, particularly of the School of Science and Technology. The scientific aspect must be related to the pedagogical component that the candidate intends to implement.

e3) As in a scientific work, the document must be framed by the state of the art, materials and methods.

e4) Should refer to the strategy for attracting human and financing resources that support the development and consolidation of the proposed research strategy. The candidate should also add previous results of their investigation that can support the submitted proposal.

e5) Contain a summary of the most recent bibliographic references and a summary of the expected results.

V.3. The jury will evaluate the candidates approved in absolute merit, following the procedure expressed in Article 22º of the Regulamento.

V.4. The ranking of the candidates will be the result of the weighted average of quantitative scores obtained in each of the evaluation parameters, within a range of 0 to 100 points.

VI - Preferential parameters:

VI.1. Scientific performance in the field of Parasitology and Clinical Parasitic Diseases is an additional parameter (PA1), valued at up to 30 % of the total points obtained in the Research component.

VI.2 - Teaching experience in a university higher education institution, in Veterinary Medicine study cycles and in curricular units whose content contributes specifically to the training of students in Parasitology and Clinical Parasitic Diseases is an additional parameter (PA2), valued at up to 30 % of the total points obtained in the Teaching component.

VI.3 - Holding the title of specialist by the European College of Veterinary Parasitology and also having an active professional card (valid registration with the Ordem dos Médicos Veterinários) or being in a position to obtain it immediately, is an additional parameter (PA3) that will be valued at up to 30 % of the total points obtained in the Knowledge Transfer

component.

VII – Public hearings:

VII.1. The jury will deliberate at the first meeting on the need to hold public hearings of all candidates approved in absolute merit which are intended, exclusively, to clarify what appears in the curriculum vitae submitted by the candidates, under the terms of b), nº 4 of article 50º of ECDU, with all candidates being informed, at least five working days in advance, of the date and place where such hearings will take place.

VII.2. Public hearings in the previous paragraph may be held by videoconference, but the jury must guarantee that these are carried out on equal terms for all candidates.

VII.3. According to paragraph a), nº 4 of article 50º of ECDU, the jury may also request candidates to provide additional documentation related to the submitted curriculum.

VIII - Application form:

VIII.1. Applications must be sent within 30 working days from the day immediately following the publication of this Edital in Diário da República.

VIII.2.The Requerimento and the remaining documents requested in the application procedure must be presented in person, during office hours (from 9 am - 12:30 pm and 2:00 pm - 5:30 pm) at the address below, or sent by registered mail with return receipt, up to the deadline, to the University of Évora, Divisão de Recursos Humanos, Serviços Administrativos, *, Largo da Sr.ª da Natividade, 7000-810 Évora.*

IX - Application form:

IX.1. The application must be completed with the filing of a Requerimento, which is available on the website of the Administrative Services of the University of Évora at:

https:// www.sadm.uevora.pt/documentos/concursos/(id)/427/ (base node)/419, which expressly identifies the number of the Edital number.

Candidates must expressly state their consent to receive communications and notifications related to the competition, which may be sent by email, and provide their address.

IX.2. The Requerimento shall be complemented by the following documents:

a) Certificates showing that the candidate holds the conditions set out in the competition notice, namely, a certificate proving the required degrees and/or qualifications and a certificate of length of service (if employed in the civil service);

b) Curriculum vitae of the candidate, duly signed and dated, with the indication of the articles and other work done and published, as well as identification of those that she/he considers most representative, for which a brief description of her/his contribution is required. The curriculum vitae must also indicate her/his educational activities developed. In the curriculum vitae, the candidate must respect the organization used in V.2 of this call.

c) Works that the candidate considers most representative, up to a maximum of five works, and a brief description of their contribution;

d) A digital copy (PDF) of the scientific-pedagogical project, following subparagraph e) of point V.2 of this Edital;

e) Other diplomas or certificates of studies referred to in the curriculum vitae, in pdf format.

X - Language:

X.1 - The documents supporting the application must be submitted in Portuguese or English.

XI - Jury:

XI.1. The jury has the following composition:
