Offer Description

It is hereby made public that for 30 working days counted from the first working day following the publication of this Edital in Diário da República, an international position is open for the recruitment of
one Assistant Professor, in the disciplinary area of Didactics, Curricular Development and Educational
Technologies, at the School of Social Sciences of the University of Évora, with a relevant curriculum
vitae in the field of Didactics of Mathematics and the Training of Early Childhood Educators and Elementary and Secondary School Teachers, to be integrated into the staff map of this University. This
position will be announced in the Bolsa de Emprego Público, in the web pages of the Fundação para a
Ciência e Tecnologia, I.P., and of UE, in Portuguese and English, as established in articles 62.o-A of the
Estatuto da Carreira Docente Universitária (ECDU), republished as attachment to the Decreto-Lei n.o
205/2009, of August 31, altered by the Lei no 8/2010, of May 13.
The present call follows the rulings of articles 37.o to 51o, 61o and 62o-A of the Estatuto da Carreira
Docente Universitária (ECDU) and further applicable laws and regulations, particularly the Regulamento
dos Concursos para Recrutamento de Professores das Carreiras Docentes na Universidade de Évora,
henceforth called Regulamento, approved by Rectoral Order of 25/07/2024 and published in the Diário
da República by Order no. 9696/2024 (2nd series) of 21 August, abbreviated to Regulation.
The joint order no 373/2000 (2nd Series), of 31th March, made compulsory the inclusion of the following

reference in all civil service recruitment procedure notices:
“As established in item h) of article 9.o of the Portuguese Constitution, Public Administration, when acting
as an employer, actively promotes a policy of equal opportunity between men and women in access to
employment and in professional progression, scrupulously endeavouring to avoid any form of discrimination”.
In accordance with articles 37o to 51o of the ECDU and other applicable legislation and with article 8o of
the Regulamento, the following provisions will apply:
I - Authorization order - the present open position was authorized by order of of the Management Council
of the University of Évora in September 12th 2025.
II - Place of work: School of Social Sciences of the University of Évora.
III - Admission requirements:
III.1. Chapter IV of the Regulamento is applied in regard to verification and compliance of the requirements of admission and exclusion of the candidates.
III.2. In accordance with 41.o-A do ECDU, candidates must have a doctoral degree in Educational
Sciences, at the application deadline, as well as fluency in Portuguese language, both spoken and
written.
III.3. If the doctoral degree has been conferred by a foreign higher education institution, the candidates are admitted to this recruitment, as per paragraph e) of no. 2 of article 4 of Decree-Law no.
60/2018, of 3 August. The equivalence/recognition/registration of that degree in Portugal is

effected
after the end of the tender under the terms defined in Decreto-Lei no 66/2018, of August 16th. That
equivalence/recognition/registration is a necessary step for contracting.
III.4. Foreign candidates, except those of an official portuguese expression, are required to provide an
officially recognized statement, demonstrating that they master Portuguese language, in both written
and spoken forms.
IV — Admission requirements in absolute merit:
IV.1. Article 12o of the Regulamento is applied with regard to admission in absolute merit of candidates.

IV.2. The jury will deliberate on their approval or rejection in absolute merit, through justified nominal
voting, where abstentions are not allowed, considering approved in absolute merit the nominee who
receives the affirmative vote of more than half of the voting jury members.
IV.3. The approval in absolute merit is considered on the overall curriculum, that the jury justifiably
considers to have scientific merit, demonstrate research capacity in area no 143, 144 e 145 of the
CNAEF, with particular focus on the field of Didactics of Mathematics and the Training of Early Childhood Educators and Elementary and Secondary School Teachers, as well as exhibiting value of
the pedagogical activity already developed, compatible with the disciplinary area to which the competition is concerned, and its adequacy to the professional category in which the international
position is open.
V - Valuation parameters and ranking in relative merit, respective weighting and final valuation system:
V.1. The method of selection is curricular evaluation. The curricular evaluation, takes into account the
general functions committed to the teachers by article 4o of the ECDU, is based on the following items:
